

EC Declaration of Conformity

We, **Saia-Burgess** Controls Ltd., Bahnhofstrasse 18, CH-3280 Murten (Switzerland), as Manufacturer and Supplier herewith declare, on our own responsibility, that the product:

Programmable logic controllers in modular and expandable construction composed of the central unit, able to receive the modules of the Family PCD2 and PCD7 like the Input/Output modules for Analog, Digital and Counter signals, and accessory modules for communication, display, etc. ...

Type Designation*:

PCD1.M2120, PCD1.M2127

* The Type Designation may be followed by alphanumeric characters to identify customer specific design or configuration

which this declaration refers to, are in accordance with the following Standards:

- **EN 61131-2:2007** Programmable controllers
- **EN 61000-6-4:2007** Emission standard *for industrial environments*

and therefore are in conformity with the Low voltage-Directive 2006/95/EC and the EMC-Directive 2004/108/EC.

Year of affixing the CE-mark: 10

Note:

- The devices are determined to be built-in by skilled or instructed persons into electrical equipment, for which further directives are effective.
It is determined to be used by ordinary persons only for replacement of an identical device.
If they are installed in machinery where Directive 2006/42/CE applies, that machinery can only be put into service when compliance with that directive has been verified
- This declaration is not a guarantee of attributes within the meaning of the EC-Directive 85/374/EEC (Liability for defective products).
